Subject: RE: Senate Bill 20

John, based on our conversation, I would suggest that you ask Aaron to draft an amendment that does the following:

- Page 2, line 15. After the word "spouse" insert something to the effect of "if the plate has not been issued to another person. If the plate has been issued to another person, the department shall contact the person to whom the plate has been issued and request that the person relinquish the plate, and shall reissue the plate to the surviving spouse if the person to which plate was issued agrees to relinquish the plate.
- Page 2, line 16. After this line, insert "A person agreeing to relinquish a standard plate under this paragraph shall be provided with a replacement standard plate at no additional cost. A person agreeing to relinquish a personalized plate under this paragraph shall be provided with a replacement personalized plate at no additional cost or, if the person chooses, a replacement standard plate at no additional cost."

Note that these changes would apply both to the firefighter plates and to the armed services / military plates.

- Add a new section which modifies s. 341.14 (6m) (f) 33. to read as follows "Fire fighters, or surviving spouses of fire fighters who die in the line of duty.

This will allow a widow or widower of a firefighter to apply for a firefighter plate even if the deceased did not have such a plate. As requested, this would only apply to surviving spouses of firefighters killed in the line of duty, and would not apply to surviving spouses of deceased military personnel. If you would like these people covered, make sure to let Aaron know that.

- I also suggest the following technical changes :

- Page 2, line 17. After the word "retained" insert "or reissued."

This change will ensure that surviving spouses who are reissued plates can change from personalized to standard, etc.

- Page 2, line 11. Change reference to "par. (f) 33." to "Sub. (6m) (f) 33."

Thanks John, and let me know if you have any questions.

Jason,

Thanks for holding the hearing on Senate Bill 20 last week. After the hearing, I contacted Mary Wolff, widow of Arnie Wolff, the fallen firefighter from Green Bay regarding the issues we discussed.

Mary actually had EMT plates, personalized to say "WOLFF." she has surrendered those plates but would like to get Firefighter plates that say, "GBHERO." In talking with Leg Council, it appears that we may be able to accomplish this through an amendment.

Thanks again for the hearing. Let me know how you want to proceed.

Aaron,

having the surviving spouse plate be identical to the fire fighter plate seems to be the best way to deal with this.

I added 33m. instead of amending 33. because amending 33. causes problems in some of the cross-references. I can redraft to amend 33. and also amend s. 341.14 (6r) (g) [I think s. 341.14 (8) (a) is a little strained but workable without change] OR I can require the new plate created under 33m. to be identical to the plate under 33. Either approach works. Do you have a preference? You might also want to ask DOT if they have a preference.

Hi John,

This amendment looks great. I only have one suggested change. The second section of the amendment adds "surviving spouses of fire fighters who die in the line of duty" as a new group in the list of special groups for which the DOT must issue special group plates. However, I think your intent is not to create a separate special group, but to add surviving spouses of fire fighters who die in the line of duty into the existing fire fighters' group. That way you can ensure that the surviving spouses will be getting the same plate as the fire fighters. Otherwise, it is possible that the DOT could issue the surviving spouses a "surviving spouse of fire fighters ..." plate that differs from the fire fighter plate. With this change, your constituent would be able to receive a fire fighter plate just like the one that her husband would have been eligible for.

Thanks,

Larry

Subject: RE: Draft review: LRB 07a0512/P1 Topic: special plates for firefighters and military; surviving spouses

Hi Aaron, John said go ahead with a P3 that accomplishes what we just discussed ie: to add something like the following to the end of the 341.14 (6r) (c): Notwithstanding the requirements of this paragraph, special group plates issued under par. (f) 33m. shall display the name of the authorized special group under par. (f) 33.

It may also be useful to tweak the sentence that you've added to par. (c) under P2 to require these special plates to be identical to firefighter plates in color, design, and "text."

Thanks Aaron,

Larry
